

## Instagram ograničenja:

**Follow / Unfollow** – 35 po satu

**Like** – 60 po satu

**Hashtag po objavi** – 30

**DM** – 50 znakova po poruci i 15 kontaktiranih profila u 24 sata

**Oznaka na STORY** – max 20

Ovo su najbitnija ograničenja koje instagram provjerava kroz svoj algoritam. Ako pređete neki od ovih ograničenja prvo Vam dolazi 24-satni ban, a ako to ponovite možete dobiti **SHADOW BAN** koji može trajati do 14 dana. U tom periodu Vaše objave neće biti vidljive niti jednom profilu, niti ćete moći sponzorirati objave.
